Description: Travel through an ancient world as an android explorer in this 3D platform game where you control a robot suited to a journey through the ages. Welcome to Lion City, a strange and wonderful city where you will discover lots of different places and events. Here you will meet new characters and have lots of fun. In this game you can explore a city and meet a lot of different characters. You will be able to get information from them and they will help you in your travel. As you continue in your journey, you will see that this city has many different places and events to explore.

You can also collect items. By solving missions, you will be able to get bonuses. You will also be able to buy new equipment and improve your equipment. Make sure you watch out for traps as they may be dangerous. In this game you can run, jump, swing and slide. You also can use your items and jump to reach higher places. There are items such as balloons, fireballs, kicks, punches and hatchets. The game features a total of twenty-three levels and six different modes. Some of the characters you will meet are Drake, Lion City's toughest boxer, his friend Leos, a spiderman who uses special skills, Bruno, a cloud, a humanoid robot, Moana, a princess, Swipty who can talk, the Strong Feline Girl, a boxer, a werewolf, a worker, an inventor, a circus trainer, a chef, a laser, a marine, a rebellious guy, a thief, a diner and a skateboarder. Use the items wisely so that you can achieve your goals. You will also get an experience point for each mission you complete. If you wish to play the next level, you can use the FreeSwitch button to switch between modes. To use items, you should press the A button. You should also press the up arrow key to jump. You can also press the X and Y buttons to swing. You can press the space button to jump. You can also use the Left Analog Stick to look around. Make sure you keep in touch with the people you meet. They may have something useful to offer you. Good luck, and have fun playing! Author: Besser George Publisher: Simon & Schuster ISBN: 0140283434 Format: PDF, ePub, Docs Download Now Order your copy of the books for FREE. How can a person mourn the death of someone he has never met?
