BR Blue Class 121 Add-On: Includes one player-replaceable body and two scenery items: The BR Blue body features matching livery as the original rolling stock found on many services around the UK, including the SouthWest, SouthEast, East Coast and Wales. The carriage interior features a modern design with a single red table with seat, and plenty of other exposed brass and dark blue. The cab follows the two-tone blue and cream interior layout as found in the original model, but with the high-back seats that are common on the model also included. The fully equipped, reliable and easily maintained twenty-two-year old carriage interior features a light blue overhead with wood-cased air-conditioning fans. The electronic intercom system uses a typical 1960s design with a single hi-tension facing the driver, single low-tension facing the guard, and a curtsey facing the carriage-side corridor. The full 360° roof camera, created from the original model's excellent 360° views, has just three buttons for running, parking and stopping, just like the original. The facility also includes a journey time display. The BR Blue carriage interior features 2:3 scale reproduction of the 1960s design with wood-cased air-conditioning fans. The authentic graphics and computer-generated photographs show the model in perfect detail with a photographic quality of 1:160 and fully textured interior surfaces. * OVER 250 3D MODELS + 3D SCENERY * Over 250 3D Models: Your classic 1960s train interior is reproduced in over 250 3D models

It's the finals of teamfights in the Round of 8, and it's the final match of the biggest match of the round of 8. It's like they made all of my dreams come true except for one thing. It doesn't seem like KT will be meeting their rivals in a winner's match in the finals. KT is taking down the second place SKT, the first place SKT has taken their teeth out off for Star Horn by winning their semifinal matchup 2-0. KT isn't setting the teeth of the other teams on fire like they do for SKT though, KT has a 1-1 score against the SKT Lions and she shoots first with casters Stitch and LAX to talk about the match. The two casters start the show discussing SKT's 2-0 victory over KT during the round of 8. Stitch talks about SKT's goals for the round of 8, and wonders if SKT can beat KT by dominating and running away with the 0-0 score. Stitch argues that KT is making a mistake by not setting the teeth of other teams on fire. I understand that it's your destiny but still... How are you feeling? KT T1 : We weren't happy that we didn't qualify to the finals last round either. If we don't win the finals, we'll be sent back home and have to repeat the round... I'm hoping to get first place because I
