THE NEW FANTASY ACTION RPG The actions of your character in the game will be published in a blog in a large English-speaking online community.

### Features Key:

Players to have adventures together with different perspectives.

An exciting role-playing game at the transitional stage between Diablo and Baldur's Gate. It's a fantasy action RPG that uses the framework of the world and allows you to instantly acquire extensive knowledge about an area through the services of the Market Merchant, greatly expanding the fun of discovery.

A vast world full of danger, where the "treasure" you obtain through a search for an ancient memento is the key to your survival.

A World where the difference between life and death is measured by seven steps: fighting, fleeing, fleeing, entering, fighting, fleeing, and fleeing in an attempt to evade a relentless pursuit by evil demons.
